This month... both Dr. Dan Murphy and Dr. John W Brimhall had the unique experience to meet with 123chiropractors.com near Time Square in New York.

It has been a long time since I saw something I thought would catapult chiropractic forward like 123chiropractors.com. I have not been able to talk to Dr. Murphy but the team of internet and marketing experts we met with said he left with the same enthusiasm we gained.

Both Dr. Murphy and I, along with several other leaders in the chiropractic field (by the company's opinion) were asked to be

consultants and be on the advisory board to promote chiropractic world-wide. We were asked to write articles to go to the entire chiropractic community and to the world at large to promote chiropractic and its miracles. I submitted six articles within a few days.

Brandy of TPR (Total Practice Resources) and I were summoned to this meeting and sat in awe for hours as they unfolded a plan to expand chiropractic awareness around the world. We both committed to do everything possible to promote this cause.

We have both submitted articles and are in the process of writing others as this goes to press.

Let me explain the possibilities as we see them:

- This alliance is one of the new benefits available by being part of the Nutri-West team. It is a website founded by Internet Marketing Pioneers and they have asked Dr. Murphy, Dr. Brimhall, and other DC's to promote YOU to the World.
- It is designed to be the world's largest chiropractic portal targeting over 1 million unique users per month.
- Provides users with a simple and effective method of finding chiropractic care anywhere in the country across all of the major search engines (including Google, Yahoo, MSN,

- 123Chiropractors.com is seen at the top of search results pages.
- Highlights 3 “Featured Doctors” in each city or town. (YOU’LL WANT TO LOOK IN TO BEING ONE OF THOSE THREE.) Some doctors are already upset because their spots are already taken.
- We will bring you up to date on all of these opportunities and of course we would like to see you become one of the top three highlighted doctors. This coveted spot will display your picture and could indicate that you are BRIMHALL CERTIFIED and use the best nutrition in the world, Nutri-West.
- As stated I submitted six articles to put Nutri-West nutrition and the “6 Step Protocol” in the forefront of the chiropractic profession and in the minds of potential patients across the globe.
- Next, I recommend you go to the first Nutri-West/Brimhall Seminar you can, get Certified this April 15-18 (call 866-338-4883). Immediately call 1-800-691-8360 or send an email to info@123Chiropractors.com and get your listing so the world knows you and where you are. It is a service that gives you an Internet presence, like an electronic yellow pages. Best of all the first three in an area can block out a city, town or specified region, depending on the size and population for as little as \$30 per month. There is no charge if you want to be listed but not featured as one of the top three. They are opening up the entire country a city at a time. I told them to put my son, Dr. Brett, in for the first spot in Mesa, Arizona immediately.

For us being on the advisory board, they will let chiropractors in a four state area know all of the seminars Dr. Murphy and I do. I see a great cooperative effort to further Chiropractic and the Wellness movement that Nutri-West has been such a leading pioneer in its growth and

development.
