Fax: (___)_____

NOTICE: Total Practice Resources does not recommend specific code use. Our purpose and intention is only to provide information and material for the doctors' reference. The doctor is in the best position to determine the most accurate code for services rendered, supplies, diagnosis etc and so therefore must make the decision his/herself as to which code(s) are most applicable. Total Practice Resources will not be held liable for inaccurate or incorrect code use either by intent or negligence of practitioners.
Total Practice Resources does recommend that each doctor and practice, continue to review and update their information per state and federal guidelines to insure accuracy and compliance.
